

Carinya 50 x 100 x 50 x 4.5mm Zinc Plated Angle Bracket - Single

Description

Carinya 50 x 100 x 50 x 4.5mm Zinc Plated Angle Bracket - Single is a steel component designed to provide secure angled support for various assembly applications. Its zinc-plated finish offers dependable corrosion resistance, while the precise fabrication ensures consistent strength and accurate fitments. Industrial and trade professionals find value in its straightforward design and reliable performance when joining materials in fixed installations.

Features

- Precision engineered steel angle bracket for secure joints
- Zinc plated finish enhances corrosion protection
- Engineered dimensions support diverse mounting applications
- Single bracket design simplifies installation for efficiency
- Robust steel construction ensures longevity under regular loads
- Flush finish aids in maintaining clean functional surfaces
- Easy alignment provided by precision cut design
- Engineered for stable support of connected components
