Carinya 150 x 150mm Black Heavy Duty Studio Stayed Bracket

BRACKET DIMENSIONS

Description

Carinya 150 x 150mm Black Heavy Duty Studio Stayed Bracket is a robust construction component made from powder coated steel, designed to provide reliable support and precision in mounting applications. It offers a practical solution for secure fixture alignment and load distribution in trade projects. Its design ensures a stable and durable connection, assisting professionals in creating safe and efficient installations without unnecessary embellishments.

Features

- Constructed with robust powder coated steel
- Heavy duty design for secure stable bracket support
- Precision engineered for reliable load bearing performance
- Finished in black with an elegant powder coating
- Designed for easy installation and alignment
- Engineered for durability under operational stress
- Applicable for secure studio installations and workspaces
- Custom fit design aids integration with existing fixture systems

Product Code: SBB150

Dimensions

Product Length (mm)	154
Product Width (mm)	154
Product Height (mm)	20
Product Thickness (mm)	3.1
Diameter of Fixing Holes (mm)	4.4

Weights

Load Capacity (kg)	125.0

Appearance

Product Colour	Black

Construction

Product Material 1	Powder Coated Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
