Carinya 200 x 125mm Black Scroll Stayed Bracket

BRACKET DIMENSIONS

Description

Carinya 200 x 125mm Black Scroll Stayed Bracket is engineered using powder coated steel to provide reliable support for maintaining loads in architectural frameworks. Designed to secure structures such as scroll brackets, it offers consistent strength and durability for professional installations. Its black finish contributes to a neat appearance while ensuring longevity. Industrial and trade professionals benefit from its precision, ease of installation and robust construction, making it an effective and practical component for varied construction tasks.

Features

- Precision-engineered stayed bracket design for secure support
- Robust powder coated steel ensures long-lasting durability
- Sleek black finish provides a professional, understated appearance
- Reliable fixed positioning offers stable load distribution
- Simple installation suited for varied bracket applications
- Precision manufacturing meets stringent requirements for durability
- Engineered strength delivers excellent performance and lasting value
- Trusted Carinya design offers premium stayed bracket support

Product Code: SBE200

Dimensions

Product Length (mm)	201
Product Width (mm)	126
Product Height (mm)	20
Product Thickness (mm)	3.6
Diameter of Fixing Holes (mm)	6.5

Weights

Load Capacity (kg)	100.0

Appearance

Product Colour	Black

Construction

Product Material 1	Powder Coated Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
