Carinya 200 x 50mm Galvanised Stair Bracket

Description

Carinya 200 x 50mm Galvanised Stair Bracket is a robust steel stair bracket with a hot dipped galvanised finish, designed to provide a secure and durable solution for stair support installations. Its precise design offers reliable performance and ease of installation for trade professionals. The bracket is engineered to support structural components effectively while simplifying assembly, ensuring practical and consistent functionality in various stair construction applications.

Features

- Durable steel construction ensures robust stair bracket performance
- Hot dipped galvanisation for enhanced corrosion resistance
- 200 x 50mm size fits standard stair dimensions
- Precision engineered design for secure stair support
- Simple installation and straightforward maintenance
- Consistent quality from a trusted brand
- Refined design for unobstructed staircase layout
- Engineered for stability and long-lasting support

Product Code: SBG200

Dimensions

Product Length (mm)	50
Product Width (mm)	50
Product Height (mm)	201
Product Thickness (mm)	3.5
Diameter of Fixing Holes (mm)	11.6

Weights

Load Capacity (kg)	500.0

Appearance

Product Colour	Hot Dipped Galvanised

Construction

Product Material 1	Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
