

Description

Precision Brand Brass Shim 6"x100"x0.001" is a shim roll in a box constructed from 260 half hard brass with a standard Imperial unit measure. It delivers reliable precision for critical alignment tasks and consistent dimensional accuracy. Designed for both indoor and outdoor applications, it supports trade professionals in achieving exact measurements while streamlining technical adjustments. The brass material provides mechanical strength and durability for varied technical settings.

Features

- Made from durable 260 Half Hard Brass
- Brass finish provides natural corrosion resistance in various settings
- Precision roll ensures reliable, accurate shimming performance
- Neat box design ensures organised storage and handling
- Functions reliably indoors and outdoors
- Accurate 0.001 inch increments enable precise thickness measurements
- Roll dimensions of 6 x 100 inches support varied applications
- Designed with simplicity for ease of practical use

Product Code: SHIM17135
