

Description

Precision Brand Brass Shim 6"x100"x0.004" is a brass shim roll manufactured from 260 half hard brass and presented in a compact box. The roll provides consistent thickness for precise spacing and alignment in assembly and installation tasks. Designed for both indoor and outdoor use, it assists trade professionals by simplifying measurements and adjustments, thereby supporting reliable performance in various technical applications.

Features

- Constructed from high-quality 260 Half Hard Brass
- Brass finish provides clear identification during setup
- Compact box design ensures organised storage and protection
- Roll measures 6 x 100 inches at 0.004 inch thickness
- Suitable for both indoor and outdoor applications
- Imperial unit measurements provide precise reference for tasks
- Engineered for durability under varied environmental exposures
- Precision manufacturing maintains supreme flatness and uniform dimensions

Product Code: SHIM17265
