

Description

Precision Brand Brass Shim 6"x100"x0.008" is designed for precise gap adjustments and accurate alignments in advanced technical applications. Constructed from 260 Half Hard Brass, the shim roll in a box provides predictable dimensions for effective fitting adjustments. Suitable for indoor and outdoor use, it optimises space in trade settings and enhances assembly accuracy. The box format simplifies storage and ensures consistency for regular use.

Features

- High durability 260 half hard brass construction
- Pre-cut precision shims in convenient roll form
- Brass finish offers corrosion resistance indoors and outdoors
- Accurate imperial measurements for precise adjustments
- Compact box design simplifies storage and handling
- Precision-crafted for reliable alignment and spacing
- Engineered roll facilitates quick on-site modifications
- Trusted precision from Precision Brand for dependable performance

Product Code: SHIM17370
