

Description

Precision Brand Brass Shim 6"x100"x0.015" CDA 260 Alloy is a durable shim roll in a box engineered for precise adjustment tasks. Constructed with 260 Half Hard Brass, it offers accurate measurement alignment and reliable performance for trade professionals. Designed with both indoor and outdoor use in mind, it ensures ease of application and consistency in technical setups where precision is paramount. Its straightforward build supports effective dimensional adjustments with confidence and clarity.

Features

- Made from 260 half hard brass
- Brass colour provides clear material identification
- Boxed design aids storage and transport
- Roll format supports consistent shim alignment
- Imperial dimensions offer straightforward, precise measurement
- Compact roll minimises material waste
- Reliable uniform thickness enhances application efficiency
- Precision Brand quality guarantees dependable shim performance

Product Code: SHIM17475
