

Description

Precision Brand Shim in a Box 6"x50"x0.005" 302 Stainless Steel provides an engineered shim roll in a box designed for precise measurement adjustments. It incorporates robust 302 stainless steel to ensure durability and dimensional consistency in various applications. The compact design facilitates accurate spacing and alignment, supporting trade professionals in achieving reliable results. The product is suited for both indoor and outdoor use, making it a practical solution across multiple technical environments.

Features

- 302 stainless steel construction ensures long-lasting durability
- Silver finish provides clear visibility and easy identification
- Compact design simplifies storage and efficient tool organisation
- Roll in a box supports quick access to shims
- Compatible with indoor and outdoor operating conditions
- Precision measurements maintain consistent shim thickness
- Simple design reduces setup time and maintenance
- Precise adjustments for accurate alignment and spacing

Product Code: SHIM22220

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No
Unit of Measure	Imperial

Appearance

Product Colour	Silver
----------------	--------

Construction

Product Material 1	302 Stainless Steel
--------------------	---------------------

Weights

Product Weight (grams)	252.2
Product Weight (kg)	0.2522
