

Description

Precision Brand Shim in a Box 12"x50"x0.005" 302 Stainless Steel is designed for precise dimensional adjustments in technical applications. The shim roll is crafted from robust 302 stainless steel and features a silver finish with imperial measurements. Its tailored design supports a range of operational tasks for industrial and trade professionals seeking reliable and consistent performance in both indoor and outdoor settings.

Features

- Fabricated with durable 302 stainless steel construction
- Precision engineered shim roll for accurate alignments
- Compact box design ensures convenient storage and portability
- Suitable for both indoor and outdoor applications
- Silver finish provides clear visual identification
- Easy to manage unit measured in imperial dimensions
- Roll design facilitates repeatable and consistent shimming
- Reliable performance guarantees precision shimming in demanding tasks

Product Code: SHIM22230
