

Description

Precision Brand Shim in a Box 6"x50"x0.031" 302 Stainless Steel is a precision tool engineered for accurate gap adjustment and alignment in technical projects. It is constructed from durable 302 stainless steel and designed in a compact format for ease of use in repair and assembly tasks. This product supports consistent measurements and reliable adjustments, providing value to trade professionals who require accuracy and efficient performance in their work processes.

Features

- Made from durable 302 stainless steel
- Precise 6x50x0.031 inch shim dimensions
- Silver finish for enhanced corrosion resistance
- Roll in a box design simplifies storage and transit
- Accurate gap control for fine tolerance adjustments
- User-centric design enables quick installation and replacement
- Imperial measurements suit precise, consistent system references
- Robust construction supports longevity and reliable performance

Product Code: SHIM22430
