

Precision Brand Slotted Shim 8x8"x0.015" 2 3/8" 300 Stainless Steel - 5 Piece

Description

Precision Brand Slotted Shim 8x8"x0.015" 2 3/8" 300 Stainless Steel - 5 Piece. This shim is manufactured from high-quality 300 stainless steel with a silver finish designed for accurate alignment and precise spacing in technical assemblies. Its slotted design supports repeatable adjustments in assembly tasks and offers a consistent solution for measurement-critical installations. The product is suitable for both indoor and outdoor applications, ensuring reliability in various work settings.

Features

- Precisely crafted shim for slot installation consistent dimensions
- 300 Stainless Steel ensures durability with environmental resistance
- Silver finish offers visual distinction and a refined look
- Universal slot design facilitates flexible alignment adjustments
- Compact dimensions easily integrate with precision assemblies
- Tested for outdoor and indoor performance requirements
- Manufactured with an imperial unit standard for accuracy
- A five-piece set designed for consistent performance

Product Code: SHIM42835
