Description

Precision Brand Slotted Shim 100x100mmx2.00mm 32mm 300 Stainless Steel - 10 Piece is a shim manufactured from 300 stainless steel. Its slotted design ensures precise alignment during assembly and adjustment tasks. It provides consistent spacing, dimensional stability and a corrosion-resistant silver finish. Designed for use both indoors and outdoors, it meets the practical needs of trade professionals. Metric dimensions offer standardised measurements for reliable integration.

Features

- Manufactured from 300 stainless steel for rugged, reliable performance
- Shim design engineered for precise adjustments and secure alignment
- Features 100x100mm dimensions with 2.00mm thickness for consistency
- Includes a 32mm slot for standard flexibility in applications
- Silver finish provides clear visual identification and enhanced aesthetics
- Metric unit measurement ensures consistent and precise sizing
- Engineered for long-term performance in diverse operating conditions
- Precision Brand delivers quality craftsmanship with reliable technical specifications
