

Precision Brand Slotted Shim 125x125mmx0.40mm 41mm 300 Stainless Steel - 10 Piece

Description

Precision Brand Slotted Shim 125x125mmx0.40mm 41mm 300 Stainless Steel - 10 Piece is a slotted shim manufactured from 300 stainless steel for precise alignment and calibration. It is designed to achieve accurate load distribution and consistent measurement adjustments. Suitable for both outdoor and indoor use, the product offers reliable technical performance and durability, providing industrial and trade professionals with a dependable solution for demanding applications.

Features

- High-grade 300 stainless steel ensures durable precision
- Slotted design facilitates precise alignment adjustments
- Metric sizing supports accurate and repeatable fit
- Silver finish offers a clean, modern appearance
- Compact dimensions aid efficient spacing and installation
- Engineered for consistent performance with tight tolerances
- Simple design minimises installation time and complexity
- Easy integration into precision tooling systems

Product Code: SHIM81530
