Carinya 200 x 150mm Black Heavy Duty Straight Stayed Bracket

BRACKET DIMENSIONS

Description

Carinya 200 x 150mm Black Heavy Duty Straight Stayed Bracket is a black stayed bracket manufactured from powder coated steel. It offers secure support and efficient load distribution through a well-proven design aimed at maintaining structural integrity. The bracket facilitates quick, organised assembly and provides reliable performance across various technical applications. Trade professionals appreciate its straightforward construction and dependable strength, which contribute to streamlined project workflows and consistent support in demanding installation scenarios.

Features

- Powder coated steel construction for enhanced durability
- Heavy duty stayed design supports secure installation
- Black finish provides a professional appearance
- Engineered for strength and reliable performance
- Dimensions set at 200 x 150mm for versatile use
- Manufactured by Carinya with stringent quality control
- Straight design eases integration with various setups
- Precision fabrication delivers measured bracket solution

Product Code: SSB14

Dimensions

Product Length (mm)	200
Product Width (mm)	152
Product Height (mm)	25
Product Thickness (mm)	3.5
Diameter of Fixing Holes (mm)	6

Weights

Load Capacity (kg)	225.0

Appearance

Product Colour	Black

Construction

Product Material 1	Powder Coated Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
