

Carinya 500 x 400mm Galvanised Heavy Duty Straight Stay Bracket

BRACKET DIMENSIONS

Description

Carinya 500 x 400mm Galvanised Heavy Duty Straight Stay Bracket is a structural component designed for fixed anchoring solutions. Made from galvanised steel with a hot dipped galvanised finish, it provides dependable support and accurate alignment for a range of projects. The bracket is built for secure and consistent performance, offering trade professionals a reliable element for various structural installations and maintenance tasks.

Features

- Hot dipped galvanised steel construction provides corrosion resistance
- Heavy duty design supports reliable load-bearing performance
- 500 x 400 mm size suits various structural applications
- Straight design ensures secure and rigid connections
- Engineered for heavy straight stays with ease
- Precision formed for optimal alignment and load distribution
- Reliable mechanical fastenings integrate with structural designs
- Robust engineering delivers reliable performance for demanding projects

Product Code: SSG500

Dimensions

Product Length (mm)	499
Product Width (mm)	399
Product Height (mm)	50
Product Thickness (mm)	6
Diameter of Fixing Holes (mm)	9.4

Weights

Load Capacity (kg)	200.0
--------------------	-------

Appearance

Product Colour	Hot Dipped Galvanised
----------------	-----------------------

Construction

Product Material 1	Galvanised Steel
--------------------	------------------

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
