Carinya 600 x 450mm Galvanised Heavy Duty Straight Stay Bracket

BRACKET DIMENSIONS

Description

Carinya 600 x 450mm Galvanised Heavy Duty Straight Stay Bracket is a robust structural component manufactured from galvanised steel with a hot dipped galvanised finish. It is designed to provide secure support and reliable alignment in various construction and framework applications. Engineers and trade professionals benefit from its precise design and dependable performance, which contribute to efficient installation and long-term stability in critical fastening systems.

Features

- Hot dipped galvanised finish enhances corrosion resistance
- Heavy duty construction supports secure structural anchoring
- Designed as a straight stay bracket for reliable support
- Engineered with balanced dimensions 600 x 450mm grid
- Precision engineered for consistent load distribution
- Robust galvanised steel ensures long lasting structural integrity
- Carinya quality offers dependable performance in every installation
- Streamlined design allows straightforward mounting and alignment

Product Code: SSG600

Dimensions

Product Length (mm)	599
Product Width (mm)	449
Product Height (mm)	50
Product Thickness (mm)	6
Diameter of Fixing Holes (mm)	9.2

Weights

Load Capacity (kg)	150.0

Appearance

Product Colour	Hot Dipped Galvanised

Construction

Product Material 1	Galvanised Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
