Carinya 200 x 150mm White Heavy Duty Straight Stayed Bracket

BRACKET DIMENSIONS

Description

Carinya 200 x 150mm White Heavy Duty Straight Stayed Bracket is a precision-engineered component designed for secure support in trade applications. The product features a robust powder coated steel construction and a sleek white finish that ensures durability and an attractive appearance. Its straight stayed design allows for reliable load distribution and ease of installation, supporting practical construction and engineering needs while offering clear technical benefits.

Features

- White powder coated steel bracket ensures lasting durability
- Straight heavy duty design meets practical support needs
- Robust material construction withstands demanding conditions
- Precise dimensions offer consistent compatibility with varied setups
- Heavy duty performance provides reliable load-bearing capability
- Engineered design promotes secure attachment and stability
- Precision manufacturing meets exacting installation requirements
- Classic white finish presents a clean, professional appearance

Product Code: SSW14

Dimensions

Product Length (mm)	198
Product Width (mm)	154
Product Height (mm)	25
Product Thickness (mm)	3.8
Diameter of Fixing Holes (mm)	6

Weights

Load Capacity (kg)	225.0

Appearance

Product Colour	White

Construction

Product Material 1	Powder Coated Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
