Carinya 250 x 125mm White Scroll Stayed Bracket

Description

Carinya 250 x 125mm White Scroll Stayed Bracket is a precise bracket designed to provide secure support in various construction applications. Composed of powder coated steel, it features a white finish that complements both architectural and commercial projects. Its robust design facilitates straightforward installation for trade professionals requiring a reliable support solution. The technical advantages include consistent performance and durability, fulfilling the practical requirements of complex installations.

Features

- Sturdy powder coated steel provides robust strength
- White finish supports consistent appearance across installations
- Precision engineered design suitable for varied applications
- Carinya quality ensures reliable bracket performance
- 250 x 125mm dimensions support diverse mounting options
- Robust construction delivers enduring performance
- Simplifies integration with existing support frameworks
- White scroll design enhances fixture appearance

Product Code: SWE250

Dimensions

Product Length (mm)	250.6
Product Width (mm)	126
Product Height (mm)	20
Product Thickness (mm)	3.8
Diameter of Fixing Holes (mm)	7

Weights

Load Capacity (kg)	80.0

Appearance

Product Colour	White

Construction

Product Material 1	Powder Coated Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
