

Product Code: SZ36

Description

Carinya 500 x 400mm Zinc Heavy Duty Played Twisted Stay Bracket is constructed from zinc plated steel and features a robust design for precise and reliable performance in various applications. It provides dependable structural support and ease of installation for trade professionals in construction and maintenance projects. The zinc plating offers a consistent finish that contributes to the product's long-lasting functionality and efficient service in demanding environments.

Features

- Robust zinc plated steel construction for durable performance
- Heavy duty design supports secure structural applications
- Dimensions 500 x 400mm optimised for precise fittings
- Played twisted design enhances load distribution and strength
- Reliable zinc coating offers superior corrosion resistance
- Engineered for accurate and secure mounting installation
- Hygienic zinc plated finish reduces maintenance requirements
- Precision engineered design ensures efficient load handling
