

SIT Steel Crimped Cup Brush 100mm x M14 & 5/8"

Description

SIT Steel Crimped Cup Brush 100mm x M14 & 5/8" is a precision-engineered tool designed for cleaning, deburring and surface finishing applications. Constructed from robust steel with a crimped wire style, it delivers consistent performance at speeds up to 8500 rpm. Its red and silver finish provides clear visual identification, making it a reliable solution that supports efficient maintenance and processing tasks, essential for trade professionals seeking durable, high-performance tools.

Features

- Constructed of durable steel for extended brushing performance
- Crimped wire design ensures efficient debris removal
- Works in both indoor and outdoor settings
- Operates efficiently up to 8500 revolutions per minute
- Features a robust red and silver finish for visibility
- Designed with crimped cup configuration for optimal contact
- Ideal for precise cleaning and surface preparation tasks
- Engineered lightweight for reduced operator fatigue and efficiency

Product Code: T100MULTI

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No
Max RPM	8500
Wire Style	Crimped Wire

Appearance

Product Colour	Red/Silver
