

Easyroll Two Tier Platform Trolley 250kg

Product Code: T2T250P

Dimensions

Product Height (mm)	850
Product Width (mm)	480
Product Length (mm)	850
Handle Height (mm)	820

Weights

Product Weight (kg)	14.5
Load Capacity (kg)	250.0

Description

Easyroll Two Tier Platform Trolley 250kg is designed for reliable platform picking and material handling. Constructed using a Thermoplastic Elastomer frame and plain bearings, it provides effective manoeuvrability and consistent performance with a 250kg capacity. The grey, black and silver finish complements a range of operational setups, while included hardware enables straightforward assembly. This trolley supports efficient transport and storage solutions for trade professionals seeking a practical and robust option for daily tasks.

Features

- Durable thermoplastic elastomer frame supports extended usage
- Platform design aids efficient picking and transporting
- Two-tier configuration optimises load organisation
- Suitable for indoor and outdoor picking tasks
- Integral hardware ensures secure assembly and performance
- Plain bearing system reduces friction during manoeuvring
- Lightweight yet robust construction facilitates easy handling
- Refined grey black silver finish supports visual recognition
