

SIT Stainless Steel Crimped Cup Brush 60mm x M6

Description

SIT Stainless Steel Crimped Cup Brush 60mm x M6 is a precision-engineered tool featuring a robust stainless steel design and a crimped wire construction. It is suitable for both indoor and outdoor use, delivering consistent performance at a maximum of 12000 RPM. The tool is designed for efficient cleaning tasks, providing industrial and trade professionals with a reliable option for maintenance and surface preparation.

Features

- Stainless steel construction offers maximum durability
- Crimped wire design provides consistent cleaning performance
- Capable of indoor and outdoor applications
- Operates at 12000 RPM for fast cleaning
- Crafted in silver and green finish for visual contrast
- Rugged brush material resists wear and corrosion
- Crimped design minimises bristle disengagement during use
- Lightweight construction supports ease of handling in use

Product Code: T60SS
