

SIT Stainless Steel Crimped Cup Brush 90mm x M14

Description

SIT Stainless Steel Crimped Cup Brush 90mm x M14 is engineered for robust cleaning and surface preparation. The tool features stainless steel bristles with a crimped wire design and operates at a maximum speed of 1200 rpm. Its silver/green finish and precise construction provide practical advantages for trade professionals handling various maintenance and material finishing applications. Suitable for both indoor and outdoor projects, the brush ensures reliable performance in routine cleaning tasks.

Features

- Durable stainless steel brush construction for lasting performance
- Crimped wire design enhances contact with surfaces
- Designed for indoor and outdoor cleaning tasks
- High rotation capacity with maximum 1200 RPM
- Precise crimping ensures consistent bristle texture
- Silver and green finish offers clear visual aesthetics
- Engineered brush design meets rigorous performance expectations
- Sized at 90mm diameter with M14 specification

Product Code: T90SS
