

Easyroll Stair Climbers Fridge Trolley 250kg

Product Code: TFTSC250

Dimensions

Product Height (mm)	1530
Product Width (mm)	615
Product Length (mm)	610
Handle Height (mm)	1530
Toe Plate Dimensions (mm)	420x270

Weights

Product Weight (kg)	19.1
Load Capacity (kg)	250.0

Description

Easyroll Stair Climbers Fridge Trolley 250kg is engineered to provide straightforward, reliable transport of refrigerators within professional settings. Constructed with a robust steel frame incorporating a ball bearing system, it enables smooth movement on stairs and flat surfaces. The grey/black/silver design demonstrates precision and durability. Suitable for both outdoor and indoor application, it delivers practical value to industrial and trade professionals by promoting efficiency and careful handling of heavy appliances.

Features

- Robust steel frame ensures lasting structural integrity
- Smooth movement provided by ball bearing operation
- Designed for reliable indoor and outdoor performance
 - Supports load capacity up to 250kg
 - Engineered steel structure withstands rigorous handling
 - Compact design aids manoeuvring in tight spaces
 - Precision fabrication supports efficient load transport
- Quality construction delivers reliable performance in varied conditions
