

Easyroll Hydraulic Scissor Lift Table 1000kg

Description

Easyroll Hydraulic Scissor Lift Table 1000kg is a hydraulic scissor trolley built from steel with durable black and grey finishes and a ball bearing system. The robust design ensures controlled and smooth lifting operations indoors, offering precise handling and improved load management for trade professionals. Integrated hardware simplifies installation and maintenance, enhancing operational efficiency.

Features

- Robust steel frame ensures durability and load stability
- Hydraulic mechanism supports smooth controlled scissor movement
- High load capacity up to 1000kg for versatile use
- Ball bearing wheels provide precise friction reduced manoeuvrability
- Integrated hardware facilitates quick secure assembly
- Contemporary black and grey finish for professional appeal
- Designed for indoor environments with well engineered safeguards
- Easyroll quality construction delivers dependable performance in use

Product Code: THLT1000

Dimensions

Product Height (mm)	980
Product Width (mm)	500
Product Length (mm)	812
Handle Height (mm)	980

Weights

Product Weight (kg)	118
Load Capacity (kg)	1000.0

Specifications

Bearing Type	Ball Bearing
Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes

Appearance

Product Colour	Black/Grey
