

Easyroll 450kg Warehouse Twin Picking Trolley

Description

Easyroll 450kg Warehouse Twin Picking Trolley is constructed with a sturdy steel frame and equipped with ball bearings for a smooth, controlled movement. The grey tub picking trolley is designed for indoor use and comes with all necessary hardware, providing efficient, reliable operation for the handling of goods. It offers clear practical advantages in stock organisation and logistics, meeting the needs of trade professionals with a focus on long-lasting performance and precise manoeuvrability.

Features

- Durable steel frame provides high strength and longevity
- Smooth ball bearing wheels ensure effortless directional movement
- Twin trolley configuration streamlines tub picking operations
- Robust design withstands heavy usage in busy warehouses
- Engineered for indoor use with focused performance features
- Hardware included for rapid and secure trolley assembly
- Easyroll brand underpins quality and consistent performance
- Distinct grey colour supports visual consistency in operations

Product Code: TPT200

Dimensions

Product Height (mm)	990
Product Width (mm)	655
Product Length (mm)	1010
Handle Height (mm)	1010

Weights

Product Weight (kg)	21
Load Capacity (kg)	450.0

Specifications

Bearing Type	Ball Bearing
Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
