

Description

Easyroll Spare Pin and Washer to Suit TALT250 TCT200 90002 90006 P0011 is manufactured from high-quality steel with a silver finish to deliver reliable wheel pin and washer performance. It offers precise compatibility with TALT250, TCT200 and 90006 series, supporting consistent and secure integration in various applications. Suitable for both indoor and outdoor use, this component enhances maintenance effectiveness and operational stability through its robust design and technical precision.

Features

- Constructed from durable steel for dependable performance
- Polished silver finish offers a clean, professional appearance
- Precision engineered for reliable wheel pin and washer fit
- Designed for easy, secure component installation
- Compatible with TALT250, TCT200, and 90006 models
- Suitable for use indoors and outdoors under variable conditions
- Minimalistic design reduces maintenance and streamlines installation
- Easyroll quality guarantees precise production and reliable operation

Dimensions

Product Height (mm)	33.8
Product Width (mm)	33.8
Product Length (mm)	33.8

Weights

Product Weight (grams)	10
------------------------	----

Product Code: TSW03

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No
Suitable For	TALT250, TCT200, 90006

Appearance

Product Colour	Silver
