

SIT Stainless Steel Twist Knot Cup Brush 105mm x M14

Description

SIT Stainless Steel Twist Knot Cup Brush 105mm x M14 is engineered for efficient surface preparation and cleaning tasks in maintenance and refurbishment projects led by trade professionals. The twist knot wire configuration combined with robust stainless steel enhances precision at speeds up to 8500 RPM. The silver and green finish supports clear visual identification and control while delivering consistent performance across various substrates. Its design offers practical advantages for technical process improvements and routine upkeep.

Features

- Stainless steel twist knot wire brush for robust contaminant removal
- Twist knot construction enhances cleaning surface agitation
- Distinct silver and green finish aids material identification
- Operates reliably at speeds up to 8500 rpm
- Suitable for both indoor and outdoor cleaning applications
- Engineered with robust stainless steel durability for extended use
- Designed for precise cleaning with repeatable results
- Simple maintenance supports extended service life

Product Code: TU111SS

Specifications

Outdoor Use	Yes
Indoor Use	Yes
