

SIT Steel Twist Knot Cup Brush 70mm x M10

Description

SIT Steel Twist Knot Cup Brush 70mm x M10 is a twist knot cup brush manufactured by SIT using high-grade steel for durability. Designed with a red and silver finish, its twist knot wire construction supports operations up to 14000 rpm, ensuring precise cleaning and maintenance. Its performance in both outdoor and indoor applications makes it valuable for trade professionals, offering dependable service for diverse mechanical tasks and surface preparation in technical settings.

Features

- Steel brush construction ensures long-lasting operational durability
- Twist knot wire design enhances material contact and cleaning action
- Capable of withstanding speeds up to 14000 rpm
- Dual colour finish offers clear visual identification
- Performs on both indoor and outdoor surfaces
- Precision manufacturing yields excellent fit and reliability
- Cup brush dimensions measure 70mm with M10 thread
- Robust design supports demanding rotational tasks for maintenance

Product Code: TZ70.02
