

Rocket Stainless Steel Twist Knot Wheel 115mm x M22.2

Description

Rocket Stainless Steel Twist Knot Wheel 115mm x M22.2 is a twist knot wheel brush crafted with stainless steel wire that ensures durability and consistent performance. It is designed for efficient cleaning and surface preparation, handling tasks ranging from removal of material residues to smoothing surfaces. The silver brush accommodates both indoor and outdoor applications and operates at speeds up to 12500 RPM, delivering precise and reliable results for trade professionals.

Features

- Stainless steel brush material for long lasting performance
- Engineered twist knot design enhances cleaning reliability
- Operates at up to 12500 rpm for improved efficiency
- Suitable for both indoor and outdoor applications
- Silver finish provides a sleek practical appearance
- Precise stainless steel wires ensure consistent operation
- Robust construction designed to withstand heavy use
- Engineered for demanding trade professional tasks
