

Easyroll 200mm Black Rubber Wheel Roller Bearing 535kg

Description

Easyroll 200mm Black Rubber Wheel Roller Bearing 535kg is a Colson TG/TH Series castor featuring a robust heavy duty wheel engineered from a carbon wheel core and rubber exterior. The castor employs a roller bearing with carbon components and a carbon steel hub, supporting a two-ply rating for dependable performance. It delivers consistent manoeuvrability and operational efficiency tailored to the practical demands of trade professionals.

Features

- Heavy duty rubber wheels for efficient movement
- Roller bearings enable smooth responsive rotation
- Carbon steel hubs secure robust wheel assembly
- Hybrid carbon core and rubber wheel enhance durability
- Dual indoor outdoor design supports versatile application
- TG TH Series castors incorporate two ply rated tyres
- Carbon wheel core improves load handling and stability
- Colson design uses premium materials for dependable performance

Product Code: W200X60RU15

Specifications
