

Carinya 50 x 100 x 50 x 50 x 4mm Galvanised Reinforcing Z Bracket

BRACKET DIMENSIONS

Description

Carinya 50 x 100 x 50 x 50 x 4mm Galvanised Reinforcing Z Bracket is a durable bracket made of galvanised steel with a hot dipped galvanised finish. It is designed for secure reinforcement applications where precision and reliability are paramount for professionals. The component provides effective structural support in demanding projects, ensuring quality construction and consistent performance for trade and industrial professionals.

Features

- Hot dipped galvanised finish resists corrosion and wear
- Robust galvanised steel construction for reliable support
- Precise Z bracket design ensures secure reinforcement
- Standard dimensions enable uniform application
- Curved profile distributes load evenly
- Engineered for easy integration with structures
- Consistent galvanised layer enhances overall durability
- Manufactured by Carinya for trusted quality

Product Code: ZG100

Dimensions

Product Length (mm)	102
Product Width (mm)	95
Product Height (mm)	50
Product Thickness (mm)	4
Diameter of Fixing Holes (mm)	12.5

Appearance

Product Colour	Hot Dipped Galvanised
----------------	-----------------------

Construction

Product Material 1	Galvanised Steel
--------------------	------------------

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
